| 65,40%     |

Number of players bought

239

Net transfer value in Euro

A single red bar representing a net transfer value of approximately -60M Euro.

| Net transfer value (M Euro) |
|-----------------------------|
| -60                         |

Atlético de Madrid

Games played, won, lost and winrate

Games won, games lost and winrate by season

A stacked bar chart showing games won (green) and games lost (red) from 2012 to 2025. An orange line represents the winrate. Total games played are labeled on top of each bar.

| Season | Games won | Games lost | Games played | Winrate |
|--------|-----------|------------|--------------|---------|
| 2012   | 35        | 21         | 56           | 0.625   |
| 2013   | 42        | 19         | 61           | 0.688   |
| 2014   | 31        | 25         | 56           | 0.554   |
| 2015   | 38        | 19         | 57           | 0.667   |
| 2016   | 35        | 23         | 58           | 0.603   |
| 2017   | 34        | 25         | 59           | 0.576   |
| 2018   | 30        | 21         | 51           | 0.588   |
| 2019   | 24        | 26         | 50           | 0.480   |
| 2020   | 29        | 19         | 48           | 0.604   |
| 2021   | 25        | 26         | 51           | 0.490   |
| 2022   | 28        | 21         | 49           | 0.571   |
| 2023   | 33        | 21         | 54           | 0.611   |
| 2024   | 33        | 22         | 55           | 0.600   |
| 2025   | 18        | 10         | 28           | 0.643   |

Average home attendance and stadium

Average home attendance and stadium name by season

A bar chart showing average home attendance in thousands from 2012 to 2025. The attendance generally increases over the years, peaking around 60K in 2023 and 2024.

| Season | Average home attendance (K) |
|--------|-----------------------------|
| 2012   | 40                          |
| 2013   | 44                          |
| 2014   | 45                          |
| 2015   | 43                          |
| 2016   | 43                          |
| 2017   | 54                          |
| 2018   | 56                          |
| 2019   | 59                          |
| 2020   | 0                           |
| 2021   | 48                          |
| 2022   | 57                          |
| 2023   | 61                          |
| 2024   | 61                          |
| 2025   | 59                          |
